Sir:

Enclosed please find a Restriction Requirement mailed on May 19, 2004 in connection with U.S. Patent application No. 10/623,840. The undersigned received this communication as a result of submitting a Change of Correspondence Address (form PTO/SB/122) on April 13, 2004 mis-identifying the application in question by an incorrect serial number (the number should have been 10/623,804 instead of 10/623,840).

Although it is not anticipated that any additional fees are due or payable, the Commissioner is hereby authorized to charge any fees that may be required to Deposit Account No. **50-1147**.
